

ELI

with  Bluetooth wireless technology

IMPORTANT PRODUCT UPDATE!

Enjoy Direct Wireless Connection Between Your Mobile Phone And Hearing Instruments!

Introducing ELI, the only Bluetooth[®]-compatible system that connects your hearing instrument directly and wirelessly to your mobile phone!

A single push of ELI's button lets you answer or reject calls without touching your mobile phone. And with its direct digital connection, ELI's hands-free system eliminates the hassle and feedback, making mobile phone communication crystal clear!

We invite you to call today to find out how you can benefit from this new and practical hearing solution.
