

# Introducing Destiny™

## The Hearing System That Gets It Right

Imagine attending a play or concert. Afterwards, you make your way through a noisy crowd up to a refreshment table. There's a waiter talking in front of you, and a companion speaking beside you. With Destiny, you won't miss a thing. Hearing in multiple situations is now effortless, clear and easy. Breakthrough technology in the new Destiny hearing aid lets you move from one situation to another in comfort, with no manual adjustments.

### With Destiny, one hearing system does it all

- > **Virtually eliminates feedback,** no more annoying whistling
- > **Manages noise** so hearing, comfort and quality are enhanced
- > **Adapts to changing environments;** As sounds change, Destiny changes
- > **Improves speech intelligibility in noise;** Destiny instantly reacts and responds automatically; no manual adjustments needed

## Out with the old, in with the nano

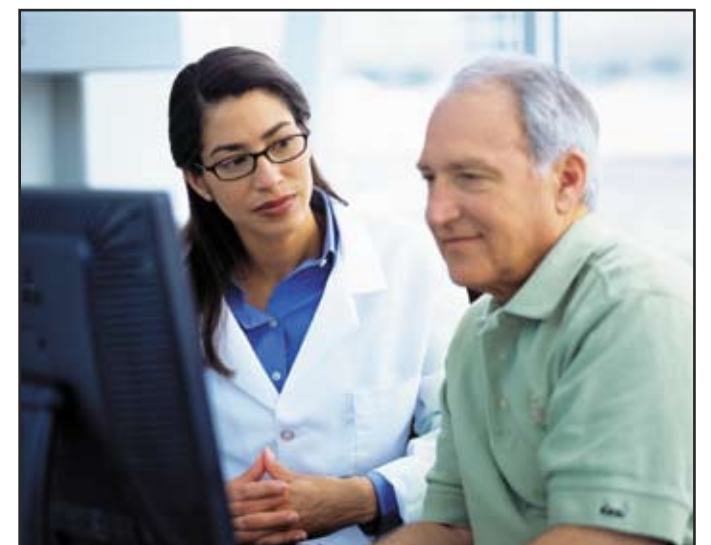

Destiny is the first hearing aid to feature *Nanotechnology*, a technology so smart, it's nearly human. This innovation makes it possible for Destiny to recognize, remember and classify the sounds YOU hear, so you never have to make an adjustment.
