Introducing Destiny –  
The hearing aid that's programmed  
for your lifestyle

Hear the whispers of loved ones and enjoy clarity on the phone. Move from the golf course to the bridge table effortlessly. This is the beauty

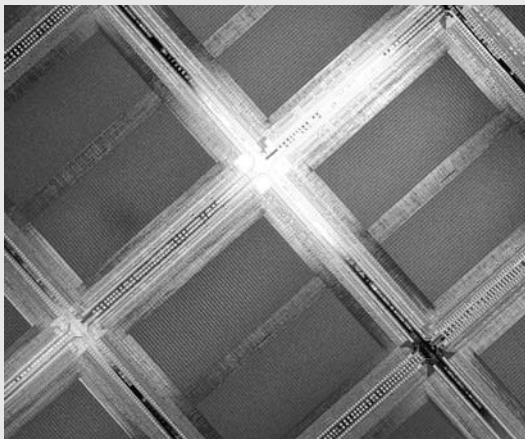

of better hearing. This is Destiny, the hearing aid that automatically adjusts for you. Destiny is the first hearing aid with nanotechnology; innovative programming that lets you hear what you want, wherever you are.

With Destiny, one hearing instrument does it all

- > **Virtually eliminates feedback,** no more annoying buzzing
- > **Manages noise** so hearing, comfort and quality are enhanced
- > **Adapts to changing environments;** As sounds change, Destiny changes
- > **Improves speech intelligibility in noise;** Destiny instantly reacts and responds automatically; no manual adjustments needed

Exclusively From 

## Innovative Nanotechnology

No matter what you call it, it's a better hearing experience

Destiny is the first hearing aid to feature **Nanotechnology**, a technology so smart it's almost human. This innovation makes it possible for Destiny to recognize, remember and classify the sounds YOU hear so you never have to make an adjustment.
