

Please join us . . .

We are conducting a Special Hearing Consultation and would like to extend this invitation to you. While you are in our office we will be conducting a hearing test and discussing the options currently available to you.

A Hearing Consultation is very important, especially if you . . .

- Find it difficult to understand in common situations like using the telephone or watching the television.
- Need others to repeat what they are saying.
- Have been told by friends and family that you may have a hearing problem.
- Haven't been tested recently

Please call early to confirm your appointment — limited number of appointments available. We're excited to offer it to you **FREE of CHARGE!**

Call (352) 307-7377 Today.

Look in Your Ear and See for Yourself if You Have a Wax Problem!

Using our video otoscope technology, we can see a large picture of the inside of your ear canal. The miniature camera will display a full-color image of your ear canal and then print out a color photograph.

This Special Service is Offered FREE of Charge

ATTENTION HEARING INSTRUMENT USERS . . .

Our Video Otoscope can also help determine fitting problems and other related conditions! Attend our Special Consultation and receive a demonstration of this amazing technology **FREE of CHARGE!**

Call to reserve your appointment today!

Completely-in-the-Canal Instruments (CIC) and/or Digital. Available Today at "Hearing for You" Centres.

We are excited to be able to offer you this exceptional new hearing instrument. The CIC is engineered to fit deep in the canal of your ear where is barely noticeable and very comfortable. Plus, its deep placement has offered many patients these benefits:

- *Small and easy to wear*
- *The telephone may be used more comfortably*
- *Practically unnoticeable*
- *Wind Noise may be decreased*
- *Many options and technologies available*

Call **242-7664** or
Toll FREE 1-800-339-1438
today and see if the
Completely-in-the-Canal
is for you!
