

SMILES, LAUGHTER AND SUCCESS.

Success can be measured in many simple, yet powerful ways.

It is why we strive to provide you with the widest variety of products, services and expertise. Solutions as unique and diverse as the individuals and needs you serve.

Starkey Laboratories' continuing leadership in the hearing community is built upon a philosophy emphasizing a unique blend of service and innovation. We strive to provide excellence in operations, services, products and customer partnerships.

Flexible policies and the ease of being a single source for all your needs are just a few examples of how the Starkey philosophy translates into practical benefits to you.

Visit us at the 2002 American Academy of Otolaryngology Convention in San Francisco. Relax and discover all that we offer - new technologies, proven answers, and superior service.

The ingredients for success, no matter how it is measured.
