Batteries

Your hearing aid uses a battery as its power source. To insert or replace the battery:

1. Use the finger pick on the battery door.
2. Open the battery door gently and remove the old battery.
3. Remove the colored tab from the new battery. Wait 3-5 minutes after removing tab before inserting battery.
4. Insert into the battery door, “+” side up.
5. Close the battery door.

- NEVER FORCE THE BATTERY DOOR SHUT. This could result in serious damage. If the door will not close securely, check that the battery is inserted correctly.
- Do not open the battery door too far or damage is likely to occur.
- Dispose of used batteries immediately in the proper waste or recycling container.
Battery Indicators
An indicator will sound when the battery voltage is low. You have approximately 30 minutes* to replace the battery. An indicator may also sound just before the battery stops working.

Power On & Off
TO TURN ON:
Insert a battery and completely close the battery door. Your hearing aid has a power-on delay which may require a few seconds. You may hear a tone indicating that your hearing aid is powered on.

TO TURN OFF:
Open the battery door until the battery is no longer touching the battery contacts.

Hearing Aid Care
Keep your hearing aid clean. Heat, moisture and foreign substances can result in poor performance.

Helpful Hints
• Use a cleaning brush or soft cloth to clean debris from around the user control, microphone and battery compartment.
• Inspect the receiver, earbud and wax guard regularly.
• Never use water, solvents, cleaning fluids or oil to clean your hearing aid.

*Actual time between low battery indicator and shutdown will vary depending on environmental noise levels and brand of battery used.
Hear Clear™ Receiver Wax Guards

RIC hearing aids integrate disposable Hear Clear earwax protection. The innovative wax guards prevent earwax accumulation in the hearing aid receiver. When you need to replace your wax guards, please follow the instructions below.

1. Insert yellow end of the application stick into used wax guard in hearing aid.
2. Pull outward on stick to remove used wax guard.
3. Use opposite end of stick to firmly insert clean wax guard into hearing aid.
4. Pull outward to remove stick and discard.
Connecting Your Hearing Aids to Your Apple Device

Follow the instructions below to connect your hearing aids to your Apple® device. If your hearing aids ever lose connection to your device, follow the instructions below to reconnect.

1. Ensure Bluetooth® is enabled on your iOS device. Within the Settings menu go to Bluetooth and toggle to On.
2. Return to the Settings menu and tap General > Accessibility > MFi Hearing Devices.
3. While the iOS device searches for your hearing aids, open and close the battery door on your hearing aids. This puts the hearing aids in pairing mode.
   - You will see your hearing aid name (e.g. “Chris Hearing Aids”) when the iOS device first discovers your hearing aids.
   - If your hearing aid name does not appear in the “Devices” list within 5-7 seconds, tap Accessibility in the upper left corner, then tap MFi Hearing Devices.
4. Tap on your hearing aid name to connect your hearing aids to the iOS device.
5. You will see two pairing requests (one for each hearing aid). Select Pair for each request. These requests may be several seconds apart.
6. When pairing is complete, your hearing aid name will change from black to blue.

Limited Warranty

This Limited Warranty provided by Starkey, to you, the original purchaser of a Starkey hearing aid, covers your new hearing aid when sold by a hearing professional authorized by Starkey. The duration of this Limited Warranty begins when you first take delivery of your hearing aid from an authorized hearing professional and ends thirty-six (36) or twenty-four (24) months later (“warranty period”):

36 months: Livio 2400

24 months: Livio 2000, Livio 1600

Limitation on Duration of Implied Warranties

IMPLIED WARRANTIES, IF ANY, ARISING BY WAY OF STATE LAW, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY AND/OR ANY IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN DURATION TO THE WARRANTY PERIOD. There is no warranty of any nature made by Starkey beyond this Limited Warranty. No person has authority to enlarge, amend, or modify this Limited Warranty. Starkey is not responsible for any undertaking, representation, or warranty (written, express, or implied) made by any hearing professional or other person beyond those expressly set forth in this Limited Warranty.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

What this Limited Warranty Covers

This Limited Warranty covers only a “defect” in the workmanship performed and/or materials used to manufacture your hearing aid.

“Defect” means the failure of the workmanship performed and/or materials used to conform the hearing aid to Starkey’s design and manufacturing specifications and tolerances.

Your hearing professional may have issued a warranty or service plan that goes beyond the provisions of this Limited Warranty. Please contact him or her for further information.

Starkey will either replace the hearing aid or repair any covered defect in your hearing aid, provided that you deliver your hearing aid to one of Starkey’s authorized hearing professionals and notify the hearing professional of the defect during the warranty period and within thirty (30) days of discovering the defect. There will be no cost to you for Starkey’s repair or replacement of the aid itself, but the hearing professional may charge a fee for services he or she provides. Performance of warranty repairs on your hearing aid shall not extend the duration of the warranty period. Any repairs performed on your hearing aid after the warranty period has expired shall be considered “good will” repairs, which shall not alter the terms of this Limited Warranty.

How to Obtain Warranty Service

Deliver your hearing aid (at your expense) to the Starkey authorized hearing professional from whom you purchased it. If that professional is unavailable, visit www.starkey.com or call the toll-free telephone number on the back of the Operations Manual to locate another authorized Starkey hearing professional.

What this Limited Warranty Does Not Cover

Batteries, earmolds, accessories, or damage to your hearing aid caused by misuse or neglect, accident, unauthorized alteration, or failure to provide reasonable and necessary maintenance and cleaning.

Disclaimer of Consequential and Incidental Damages

THE PURCHASER SHALL NOT BE ENTITLED TO RECOVER FROM STARKEY ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES RESULTING FROM ANY DEFECT IN THE HEARING AID, INCLUDING BY WAY OF EXAMPLE ONLY, EXPENSES TO DELIVER THE HEARING AID TO AN AUTHORIZED HEARING PROFESSIONAL, HOTEL ROOMS, OR LOST WAGES. THIS EXCLUSION AND DISCLAIMER OF CONSEQUENTIAL AND INCIDENTAL DAMAGES SHALL BE DEEMED INDEPENDENT OF, AND SHALL SURVIVE, ANY FAILURE OF THE ESSENTIAL PURPOSE OF ANY REMEDY OF THIS LIMITED WARRANTY. Some states do not allow the exclusion or limitation of consequential or incidental damages, so the above exclusions may not apply to you.
Your Legal Remedies

THIS LIMITED WARRANTY DOES NOT “EXTEND TO FUTURE PERFORMANCE.” ANY ACTION TO ENFORCE THIS LIMITED WARRANTY OR ANY IMPLIED WARRANTIES MAY AND SHALL NOT BE COMMENCED MORE THAN 90 DAYS AFTER THE EXPIRATION OF THE WARRANTY PERIOD. THE PERFORMANCE OF REPAIRS SHALL NOT SUSPEND THIS LIMITATIONS PERIOD FROM EXPIRING. UNDER NO CIRCUMSTANCES SHALL STARKEY BE OBLIGATED TO REFUND ALL OR ANY PART OF THE PURCHASE PRICE OF THE HEARING AID. Some states do not allow the reduction in the limitation period, so the above reduction in the limitation period may not apply to you. This warranty gives you specific legal rights. You may also have other rights which vary from state to state. This warranty is valid only in the United States.

Product specification may be obtained from your hearing professional.
